All statements or agreements contained in this quotation are contingent on strikes, accidents, fires or other acts of God beyond our control. Prices quoted are based on current labor rates and may be revised. Orders are subject to trade customs, ordinary process losses and handling charges for non-bulk containers. With respect to foreign material introduction, current technology is not capable of maintaining 100% pure lots. The original Packing Slip and/or Purchase Order must accompany all returns. Ajax Metal Processing must be notified of any plating quality issues (MCN's or DMR's) within 72 hours of customer signed receipt. The maximum liability of Ajax Metal Processing shall be no more than two (2) times the value of services rendered. Please refer to General Terms & Conditions of Sale located at <http://www.ajaxmetal.com>. Certain processes may be subject to surcharges for natural gas or plating metals based on the current market conditions.
