

Machining

- [Advance Turning](#) (Jackson, MI)
- [Ashley Ward](#) — Screw machining, CNC turning, spline rolling, thread rolling, induction heat treating. (Mason, OH)
- [Dakota Machine Works](#) — CNC Swiss screw machining and CNC turning. (Corona, South Dakota)
- [Drew's Manufacturing](#) — Screw machining. (2/20/2018: Per Larry, they can only handle material up to 1.000" capacity.)
- [Fischer Special Manufacturing](#) — Screw machining of inserts, compression limiters, and custom fasteners.
- [J & S Technologies](#) — CNC lathe and screw machining. (2/20/2018: Per Leon Sluis, their machines go to 1.250" max capacity.)
- [John Gillen Co.](#) — Precision screw machining & CNC machined parts. Also, secondary operations, such as knurling, broaching, milling, grinding - surface and centerless, punching, shearing and de-burring.
- [Lindsay Machine Works](#) — (Kansas City, MO)
- [Necedah Screw Machine Products, Inc.](#) (Necedah, WI)
- [Pindel Global Precision](#) (New Berlin, WI)
- [R & H Machine Products](#) — Screw machining and CNC machining. (Three Rivers, MI) **<fc #ff0000>Do not send RFQs to them</fc>**
- [RIMA Manufacturing](#) — (Hudson, MI)
- [Swiss-Tech LLC](#) (Delavan, WI)
